RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT AND FOR CAUSE AS FOLLOWS:

- The defendant shall not violate federal, state or local law while on release.

On the evening of September 6, 2021, this officer received an inclusion zone leave alert, meaning that the defendant left his residence without an approved schedule. This officer tried to contact the defendant but called his mother's number in error. Ms. Moore advised this officer that Mr. Moore was just arrested. She stated that the mother of his child came to the house and the defendant was "minding his own business." He told the young lady to leave and then she called the police.

This officer spoke with Officer Gilbert with the Richmond Police Department. He advised he was called for service for an assault, which they believed to be domestic because the alleged victim was pregnant. Officer Gilbert stated there was enough probable cause for arrest because there were physical marks and the alleged victim was missing hair. An official report has not been obtained. Mr. Moore appeared before the Richmond City Juvenile and Domestic Relations Court on September 7, 2021, where he was held without bond.
